

DUNDEE SENSATION

BBC BREATHING PLACES' WILD DAY OUT!

22nd May -
10.30am to 4.30pm
Dundee Science Centre, Greenmarket, Dundee, DD1 9SY

A day of fun for all the family to find out more about nature and biodiversity. Take part in science, art and writing activities based around nature (suitable for all). Listen to wildlife photographer David Boag's photographic adventures on an African Safari or sign up to his free afternoon wildlife photography workshop (suitable for the over 12s; bring your own camera).

Charge: all of above included with general admission the centre - £5.25 per child and £7.25 per adult.

Activities are pre-bookable only - Tel. 01382 868600 to book. 'Capturing the Natural World with your Camera' talk by David Boag from 10.30am to 11.15am; African Safari talk from 11.45am to 12.30pm. Wildlife photography workshop from 2pm – 4pm.
