

As part of the “Building Better Biodiversity” series of local training opportunities, we are extremely fortunate in Edward Mayer of London Swifts agreeing to run a half day workshop in Dundee. The training will be particularly valuable for those in Property (Architects, Maintenance), and Housing, Planning & Transport (Development Management, Building Control, Forward Plans), Parks and Landscape. *The workshop will assist staff achieve their obligations under the Nature Conservation (Scotland) Act 2004.*

Edward will also take part in the Greenspace and Biodiversity Seminar to be held in Forfar on 20th February – further details are available via www.taysidebiodiversity.co.uk or from biodiversity.events@dundeecity.gov.uk.

SWIFTS IN THE BUILT ENVIRONMENT

Thursday, 19th February 2009 - Floor 13, Tayside House, Crichton Street, Dundee
1pm to 4pm/4.30pm (presentation 1.30pm to 2.30pm)

(no charge, but pre-booking essential)

- A sandwich lunch and refreshments will be provided on arrival
- The presentation will outline the swifts’ needs, the problems they are encountering and how we can help them
 - There will be plenty of time for questions and answers
- After the presentation there will be an outdoor session, led by Edward Mayer, to look at various types of buildings in the vicinity of Tayside House to see how swifts can be accommodated in an urban setting (*please ensure you have appropriate warm outdoor clothing and footwear*)
 - An Attendance Certificate will be provided that can be used for CPD purposes

BOOKING FORM
