

Mini BioBlitz 8 June 2018

This year we are celebrating National Ocean's Day with another mini BioBlitz and Co-Coast Survey. The survey will take place at 2pm when low tide is approaching as this activity involves going out on the rocks. We will hold a BBQ at 12md at the Bothy and once again we will try and identify as many species as possible. All wildlife data will be uploaded to irecord

**East Haven
MiniBioBlitz**
8 June 2018 10am -4pm

**National Oceans Day
Co-coast survey at 2pm**

Bee Walk

BBO lunch

Plants
Moths
Butterflies

Birds

How many species
can we identify?

The poster features a background image of a coastal scene with purple thistles in the foreground and the ocean in the background. It includes several inset images: a bee on a flower, a bird on a rock, and a butterfly on a leaf.
