SHOW YOUR SUPPORT FOR Tayside Swifts!

Membership of Tayside Swifts is free of charge. We are keen to set up areas of survey work where one volunteer acts as a Co-ordinator to keep others up to date with survey forms, collecting information and being part of the larger Tayside "dots on map" project. We will collate all the data to share with the local authority planning department which will help safeguard swift nest sites.

If you would like to get involved, please contact
DMuir@taysideswifts.co.uk

We also aim to offer a swift t-shirt during 2019 so please let us know if this is of interest. Contact Catherine Lloyd at caglloyd@pkc.gov.uk.
