# BioBlitz

Wildlife Where You Live

Perth & Kinross  
Museum & Art Gallery

Gardens and parks, greenspace and derelict land can all be fantastic places for nature. This year we need your help to find out more. Record and share your observations of wild plants and animals that you see in your neighbourhood. A bioblitz is a project to record all the species of an area over a short period of time.

# BioBlitz

Wildlife Where You Live

## WHEN

12th June 2021  
to 31st January 2022

## WHERE

Your garden, or a  
local park or greenspace  
within Perth & Kinross

## WHAT

Record your  
observations of  
wild plants  
and animals

## HOW

Share your observations  
on the iNaturalist App  
and with social media  
posts #CPKBioBlitz

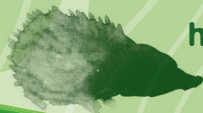

Full details at  
[www.cpkexhibitions.co.uk/bioblitz](http://www.cpkexhibitions.co.uk/bioblitz)

Alternatively complete  
the BioBlitz form attached

By taking part as  
a citizen scientist  
you are creating  
new data on the current  
state of nature in  
Perth & Kinross to  
help safeguard our  
local wildlife.

Artwork by Walker & Bromwich, 2021  
Perth & Kinross BioBlitz is part of a  
programme to accompany The Shadow  
World by artists Walker & Bromwich.  
24 July to 30 January at Perth  
Museum & Art Gallery.
