

# HAVE YOU SEEN A BARN OWL IN TAYSIDE?

**WHEN AND WHERE DID YOU LAST SEE ONE?  
WE NEED TO KNOW**

Barn Owls have a distinctive heart-shaped face,  
are entirely white underneath and have golden brown upper parts.  
They appear ghost-like at night and  
emit a loud screeching call.

These beautiful birds are rarely seen - any information you can  
offer is vital to our survey. We need to know the present  
distribution of Barn Owls in Tayside.

Please contact Catherine Lloyd on tel. 01738 475273  
or e-mail [tayside.biodiversity@ukf.net](mailto:tayside.biodiversity@ukf.net)

*A grid reference would be helpful, or as accurate  
a description as possible on "where and when".*
