

**THE CARSE OF GOWRIE**  
**ORCHARDS:**  
**SURVEY, RESTORATION,**  
**MANAGEMENT**

# Objectives for the day

- To understand the current extent, status and condition of the remnant orchards of the Carse of Gowrie
- To reach a consensus on whether or not it is worth saving the remnants and how this might this might be done
- To understand the type of practical work to ensure the remnant orchards survive for future to generations to enjoy and utilise

# The Programme for the day

- First - What? Where? Why?
- Second - How? When?

# Proposed Outcome of the Day

‘A broad consensus on the rationale for protecting and restoring the remnant Carse orchards and an agreed broad approach as to how best to achieve that’
